## ACCOMODATION

Inspired by lush tropical nature, a shimmering ocean, and rich cultural heritage of the ancient Takola seaport, La Vela is anchored on Khao Lak's most serene stretch of beach, named Bang Niang. The truth is Khao Lak has long been one of the loveliest barefoot beach escapes in the South of Thailand.

## ACCOMODATIONS

We have a total of 181 guest rooms which come in 8 room types, ranging from the ultra luxe Pool Access Grand Seaview and Deluxe Seaview to the more experiential Deluxe Poolside and affordable comfort of Deluxe.

Whereas the earthy tones of the exteriors give a sense of style, all interiors combine luxury with individuality, reflecting a detailed historical perspective of the surrounding area.

Every room offers the whole gamut of comfort and amenities that one would expect from a decent beach resort. A large fridge, fairly large desk, sleek sofa, stylish bathtub or jacuzzi, walk-in shower, and free high speed Wi-Fi exemplify what is on offer in each room.

## RESTAURANTS & BARS

### SPICES RESTAURANT

Kick-start a fresh morning with Spices Restaurant, which is just a short walk from the lobby. The breakfast buffet takes place here every morning inside and out. Surrounded by lush greenery, the buffet is a real feast featuring diverse international foods.

### COTTON CAFÉ & LIBRARY

If you develop a thirst, drop by Cotton Café. Nowhere else captures the essences of taste and aromas better than Cotton Café, a spot with a laid-back vibe. Located by one of the pools, this place is where you will want to lounge, kick back and relax every afternoon.

### MINER'S BAR

Adjacent to the Oceanside pool sits Miner's Bar. This is another spot that's unmissable. The rustic interior and décor bring to mind the rich cultural history of the ancient Takola seaport. This pool bar has a menu that seems to blend the exotic essence of the West with an avant-garde take on local style - from quick bites and big bites to classic and not-so-classic cocktails.

### KOKULO BEACH CLUB

Whether it's mouthwatering pasta, pizza, or a dock-to-dish seafood bounty, check out the myriad of live cooking stations you must see to believe. Take a seat indoor or out, relish every dish as your ears dance to the upbeat music! Whatever your taste buds desire, you can find it here.

## FACILITIES & SERVICES

### GYM

Whenever you feel energetic, go to our gym, which is right beside the spa. Although it isn't as large as some famous fitness centers, it has all the equipment you require to help you get in shape, including treadmills, exercise bikes, numerous sets of dumbbells and more.

### SPA QAQULA

During your stay at La Vela, don't forget to treat yourself to an uplifting treatment at Spa Qaqula! This place offers a quiet sanctuary just beneath La Vela's lobby. The reception and lounge area's interior alongside its rich wood textures and basketry décor impart a warm, relaxed feel. This is an oasis of calm to ease your tired muscles after a hot day at the beach. A range of our signature massages, restorative therapies, facials and body treatments is offered across five dedicated treatment rooms.

### PETIT CAPTAIN

Don't your children deserve the best vacation, too? Let them have their happy time at Petit Captain, the resort's Kids Club. With Montessori-inspired toys and edutainment activities, your children will discover, learn, and have fun in a welcoming and nurturing environment.

### LOCATION

It is just 1.20 hours drive north of Phuket's International Airport. Bang Niang beach is about 2.5 km north of Khao Lak beach
